Classroom Series: These projectors offer phenomenal value with high-performance, incredible image quality and advanced features. From SVGA to WXGA, to short-throw and a variety of connectivity options, including wireless and RJ-45, Epson makes a perfect projector for any classroom. The PowerLite 83+, 822+, 400W, and 6110i models include closed-captioning, and the 6110i has an innovative low-maintenance filter design. The PowerLite 400W is the first-ever 3LCD, WXGA, short-throw projector—perfect for latest generation widescreen computers and Interactive Whiteboards.
