Software Assurance Benefits: Interactive Chart

HOW TO USE THE INTERACTIVE CHART

The chart to the right compares the software assurance benefits across licensing programs.

To view additional benefit and eligibility details:

- Click on any benefit name to link to more information.
- Roll over the ✓ or ✴ and click to link to the URL listed.

For additional information, click the Benefit Hyperlinks.

When you print this document, you will see all information about software assurance benefits as they apply across licensing programs.

For additional information, refer to the product list at http://microsoft.com/licensing/userights, or contact your Microsoft partner or account manager.

To activate your benefits, go to the Microsoft volume licensing site at: https://licensing.microsoft.com

Software Assurance Customers with Open Licenses visit https://eopen.microsoft.com to activate your benefits.

Microsoft provides this material solely for informational purposes. Customers should refer to their agreements for a full understanding of their rights and obligations under Microsoft’s Volume Licensing programs. Microsoft software is licensed, not sold. The value and benefit gained through use of Microsoft software and services may vary by customer. Customers with questions about differences between this material and the agreements should contact their reseller or Microsoft account manager. Microsoft does not set final prices or payment terms for licenses acquired through resellers. Final prices and payment terms are determined by agreement between the customer and its reseller. Eligibility for Software Assurance benefits varies by offering and region and is subject to change. The Terms and Conditions of your Volume License Agreement and the Terms and Conditions under which any specific Software Assurance benefits are offered will take precedence in the case of any conflict with the information provided here. For eligibility criteria and current benefit program rules, see the Microsoft Product List at www.microsoft.com/licensing/userights.
