Your shortcut to happy hour

Find your friends with phone + text + IM + email + web.

The Palm® Centro™ smart device gives you voice, text, IM, email and web¹, all in a phone that's a lot smaller than you think. Which basically means you can keep up with friends in every way possible. The Palm Centro even has a touchscreen and a full keyboard, so you can say L8R to those tricky keys on your cell phone. Centro. Let's go.

¹ Within wireless coverage area only. Email, messaging and web require data services from Sprint at an additional cost. ISP and/or VPN may also be required. Direct Push Technology requires Microsoft Exchange Server 2003 with SP2 or Exchange Server 2007.

² Within EvDO data wireless service coverage area only. Actual data speeds vary based on network capacity and application design. Backward compatible with 1xRTT and IS95 networks.

³ Within wireless coverage area only. Google Maps for Mobile may not be available for certain areas.

⁴ Additional service charges may apply. Connection via USB sync cable (included in box) or Bluetooth® wireless technology.
