

# CDW congratulates Justin Wilson and RuSPORT on a great season. (It was a heck of a ride.)

Despite a broken wrist, Justin Wilson and the RuSPORT team wrapped up the 2006 season with a great race in Mexico City. The year was filled with highlights, including a win in Edmonton, numerous Top 10 finishes and second overall in the Champ Car World Series points race. CDW congratulates the team on a job well done. We'd also like to thank our co-sponsors HP, EDGE, Plantronics, Oracle and Targus for their support. And we look forward to going even higher, and faster, in 2007.
