

The CDW-G Extranet: Checkout

Easy Online Purchases

with options tailor made for you

Buying online from CDWG.com

From start to finish, the checkout system offers easy-to-use, customizable options for every size and type of organization.

Easy purchases start with a smart shopping cart

- Save time on reorders and collaborate with colleagues with options that help you save and share shopping carts.
- Build a shopping cart in seconds or quickly add items to an existing shopping cart with the QuickCart option.
- Estimate shipping costs before you checkout with the Shipping Calculator option.

Customize how you purchase with Standard or Express Checkout

- Use Standard Checkout to select shipping, billing, and payment options as you go through the checkout.
- Set default options and use Express Checkout¹ to make purchases, quick and easy.

Take advantage of flexible shipping options

- Sort shipping options by carrier and delivery type, estimated delivery time or price.
- Use CDW-G's pre-negotiated shipping rates or bill to your shipping account.
- Consolidate shipments - request to hold a shipment until all items are in stock.

The right payment and billing options

- Pay by purchase order, P-Card, credit card request lease terms².
- Order online and phone in your payment information.
- Bill purchases to the right department when you activate our multiple account management option¹. [Learn more.](#)
- Add Custom Fields to track and report on purchases according to accounting guidelines¹. [Learn more.](#)
