Payment Solutions for CDW Customers

CDW and CIT make it easy for customers to acquire, manage and control their business assets. When customers choose payment solutions from CDW and CIT, they enjoy many valuable benefits.

Types of financing provided to our customers

- \$1.00 Purchase Option - This payment plan is structured so end users can own the equipment at the end of the contract for \$1.00
- Fair Market Value (FMV) - An FMV lease offers the lowest monthly payment and is the most flexible payment structure. At the end of the contract, customers may: purchase the equipment for the then FMV, return the equipment to CIT, or renew the lease based on the FMV renewal rate
