Each contestant must submit to CDW•G, at the address below, a 2-dimensional, mounted **original piece of artwork** that addresses the topic: "**How has technology enhanced your learning experience?**" In addition to the artwork, each contestant must submit an **essay of 250 words** or less, typed and double-spaced, both addressing that topic. All entries must be received by **December 15, 2004** and will not be returned to contestants. Entrants under 16 years of age must obtain parental consent to enter the contest and to accept the prize.
