

Get Up to \$2000 Cash Back on Cisco Networking Products

Stimulate Business with New Cash Back Rebates

Now is the time to upgrade your business network and get cash back on your trade in and purchase select Cisco® products.

With the Cisco Rebate Program, you can receive up to \$2000 cash back when you trade in your used networking products and purchase new Cisco products.

Cisco's broad portfolio of small business products can help you:

- Keep information secure with Cisco network and physical security products working together
- Improve collaboration and make decisions faster to give you a competitive advantage
- Protect your Cisco Linksys investment when you upgrade to new Cisco products

To learn more about the Cisco Rebate Program and how to take advantage of new rebates on Cisco routing, switching, security, wireless, and voice products, visit www.ciscorebateprogram.com.
