December 15, 2009

All attendees
will receive a
Harley-Davidson
Museum ticket -
good for any day.

FREE EVENT DETAILS...

Take a closer look at Exchange Server 2010.

There is a better way to accomplish more. Now you can get your job done with less effort and more confidence.

Join CDW and Microsoft on Tuesday, December 15 for a special showing of Microsoft® Exchange Server 2010—the new messaging and collaboration solution that helps IT professionals achieve new levels of reliability with greater flexibility, enhanced user experiences, and increased protection for business communications.

Flexible and reliable—Exchange Server 2010 gives you the flexibility to tailor your deployment according to your company's unique needs and a simplified way to help keep e-mail continuously available for your users.

Anywhere access—Exchange Server 2010 helps your users get more done by giving them the freedom to securely access all of their communications—e-mail, voice mail, instant messaging, and more—from virtually any platform, Web browser, or device.

Protection and compliance—Exchange Server 2010 delivers integrated information, loss prevention, and compliance tools aimed at helping you simplify the process of protecting your company's communications and meeting regulatory requirements.

Bring simplicity and power to your company's messaging and communications.

Don't delay in getting your FREE advance ticket!
