

# LEARN MORE ABOUT OFFICE 365

CDW invites you to attend our weekly Office 365 webcast. Tailored for IT decision-makers, the event will cover features and functionality, security benefits, licensing information and include a brief demonstration.

Join us and we'll show you how our expertise and Microsoft cloud solutions can help you to:

- Reduce your capital expenses
- Save money by paying only for capabilities you need
- Get to market faster by leveraging your existing IT skill investments
