## Technology Legend

### Smart Sensor Technology

Built-in sensors deliver automatic functionality like answering a call by placing the headset on and simultaneously updating softphone availability status.

### A2DP

Allows high quality audio content streaming from one device to another via a Bluetooth connection.

### AudioIQ<sup>2</sup>

Keeps calls clear, regardless of the environment. Automatically adjusts incoming calls to a comfortable listening level.

### SoundGuard

Sound leveling for listening comfort and acoustic limiting for protection against sounds above 118 dBA.

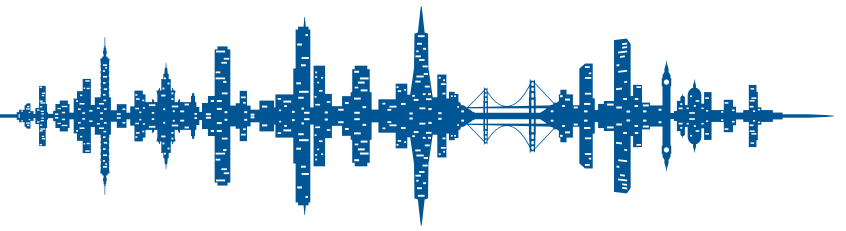

### Wideband

Frequency range up to 6,800 Hz. Meets TIA-920 standard for genuine wideband response.

<sup>1</sup> Performance dependent on battery and may vary by device.

<sup>2</sup> Unlimited talk time with deluxe charging cradle kit, comes standard with Savi 745. Available as an accessory with Savi 740.
