

CDW Canada Ranked 13th on CDN Top 100 Solution Provider List

Leading provider of technology solutions builds on success in Canadian Channel

Etobicoke, ON – April 20, 2007 – CDW Canada, a leading provider of technology solutions for Canadian organizations in the public and private sectors, today announced it has achieved recognition as number 13 on the list of 2006 CDN Top 100 Solution Providers, up from 14 in 2005. These awards recognize the channel achievements of the industry’s top value-added resellers and independent software vendors as ranked by annual revenue and confirmed by Partner Research.

“CDN congratulates CDW Canada for its advancement on the CDN Top 100 Solution Providers,” said Paolo Del Nibletto, Editor of CDN. “CDW Canada’s success as a key reseller in the Canadian market can be attributed to its continued focus on the SMB space and impressive CDW@work business model.”

“The award is a testament to the success we are achieving as a trusted advisor for Canadian small and medium enterprises,” said Pete Edwards, General Manager, CDW Canada. “This accomplishment is a direct result of our unique business model, expertly trained account staff and carefully cultivated relationships with the industry’s top manufacturers.”

CDN, Canada’s top-ranked IT channel publication, is a bi-monthly Canadian reseller magazine dedicated to providing resellers with timely, comprehensive coverage of news, events and issues that affect their businesses.
