## CDW Canada recognized as a Great Place to Work® for fourth consecutive year

**For Release:** April 10, 2013

CDW Canada has been recognized by the Great Place to Work® Institute as one of the **Best Workplaces in Canada** for the fourth year in a row. This list, and related stories, appeared today in a special national report in *The Globe and Mail*.

CDW Canada is a leading technology solution provider for businesses, government, education and healthcare. CDW Canada works closely with Canadian organizations to provide expertise on technology solution options from the point of initial inquiry through to final implementation. With an extensive recruitment, hiring and training process, CDW Canada coworkers bring an unparalleled depth of knowledge to the industry. As part of its “Circle of Service” philosophy, coworkers all share the same goal, to serve the customer, which fosters a strong synergy within the company.

“To be recognized as one of the Best Workplaces in Canada for the fourth consecutive year is a fantastic achievement,” said Mary Ann Yule, Vice President and General Manager, CDW Canada. “Our coworkers consistently achieve new heights in demonstrating the enthusiasm and dedication they have for our company and our customers. CDW Canada prides itself on having an open and respectful culture where coworkers are appreciated, recognized and celebrated.”

This list of “Best Workplaces in Canada” is compiled by Great Place to Work® Institute Canada. The competition process is based on two criteria: two-thirds of the total score comes from a 58-statement survey completed by a random selection of employees, along with their open-ended comments about their organization; the remaining one-third of the score comes from an in-depth review of the organization’s culture, including an evaluation of HR policies and procedures. This offers a rigorous representation of the organization from an employee perspective, and an overall portrait of the workplace culture. Together, they provide crucial data relative to the five trust-building dimensions of a great place to work®: credibility, respect, fairness, pride, and camaraderie.

This year’s list received over 300 nominations and more than **57,000 employees** participated in the 2013 “Best Workplaces in Canada” survey.
