**CDW Canada Celebrates 10 years of Delivering Technology Solutions
to Canadian Businesses**

*Highlights over the past decade include significant internal growth, awards
and new services and support for customers*

Etobicoke, ON – October 29, 2013 - [CDW Canada](#), a leading provider of technology solutions for Canadian organizations in the public and private sectors, this year celebrates its 10th anniversary, marking a decade of remarkable success in bringing technical expertise and delivering impactful technology solutions to businesses across Canada.

Since establishing its Canadian headquarters in 2003, the company has experienced significant growth, adding coworkers across Canada in order to better serve customers locally within their geographic regions. It has also expanded its physical operations by adding a second office in 2011, in Mississauga, Ont.

“CDW Canada is proud to celebrate this momentous milestone of ten years of industry leadership as a full service technology solutions provider in Canada,” says Mary Ann Yule, Vice President and General Manager for CDW Canada. “We are committed to helping our customers leverage technology in their environments as they look to optimize their current infrastructure or build new systems that will drive productivity, efficiency and overall business results.”

CDW Canada coworkers are at the centre of the company’s success. With a unique coworker culture and shared goal of always serving the customer, CDW Canada has earned a multitude of awards and recognition over the years:

- Ranked second on the 2012 *Computer Dealer News* Top 100 Solution Providers List
- Named one of the Best Workplaces in Canada for four consecutive years by the Great Place to Work® Institute (2010 - 2013)
- Listed as one of the Great Workplaces for Women by the Great Place to Work® Institute (2010)
- Named Cisco Canadian SMB Partner of the Year (2012)
- Achieved Microsoft Gold Partner status
- Named Autodesk Volume Channel Partner of the Year (2010 – 2012)
- Chosen as VMware’s SMB Partner of the Year for the Americas and Infrastructure Virtualization Competency Partner of the Year (2012)

The company's expansion has been marked by the introduction of new business structures over the years, aligning expertise to core business areas. Over the last decade, CDW Canada has introduced offerings to meet customers' needs as technologies and business requirements have changed, including a growing national services practice which complements the company's vast hardware and software solutions portfolio.

CDW Canada has forged strong partnerships with hundreds of major technology vendors over the years — including APC, Apple, Cisco, EMC, HP, IBM, Lenovo, Microsoft, NetApp and VMware — providing customers with an unprecedented level of end-to-end services and solutions. CDW Canada's in-house team of account managers, technology specialists and solution architects have a strong depth of technical expertise, and are dedicated to working closely with customers every step of the way from the point of inquiry to final implementation.

"We will continue to stay at the forefront of the changing technology landscape and are devoted to offering our customers the expertise and solutions they have come to expect from CDW Canada," Yule said. "We look forward to celebrating many more years in Canada and thank our customers, coworkers and partners for their unwavering support of our brand and offerings."
