

CDW Canada Named Dell Canada 2016 Shining Star Channel Partner

September 26, 2016 – CDW Canada, is pleased to announce it has been named Dell Canada’s 2016 Shining Star Channel Partner. The announcement was made at the annual Dell Canada Channel Partner Summit, held earlier this month in Niagara Falls, Ont.

This award is given to a new member of the Dell channel partner family which has demonstrated excellence and competencies in all of the Dell enterprise, client, endpoint management and network security areas.

“Congratulations to CDW on winning Dell Canada’s 2016 Shining Star channel award, which recognizes their focus on delivering customer value with Dell solutions. The team at CDW has committed significant resource and leadership attention to being better together with Dell. We are excited to see CDW expand their technology portfolio which is allowing them to further serve customers with excellence while winning with Dell,” said Kevin Peesker, president, Dell Canada.

Across the country, as a new Dell Premier Plus Partner in Canada, CDW Canada has demonstrated proven expertise in hardware, software and services that help eliminate IT complexity for customers, enable 3rd platform breakthroughs and drive enhanced efficiencies.
