

## **CDW Recognized as a 2016 Microsoft Partner of the Year**

**Etobicoke, Ont., – July 27, 2016 – [CDW Canada](#)**, a leading provider of technology solutions to business, government, education and healthcare, is pleased to announce it has received a special recognition award as a 2016 Microsoft Partner of the Year. The award recognizes CDW Canada's achievements and performance in the area of Windows and Devices Deployment, from among Microsoft partners across the globe.

This recognition reflects CDW Canada's exceptional ability to provide customers with outstanding business and technology solutions based on products such as the Microsoft Surface family of devices. The award was presented at the Microsoft World Partner Conference which recently took place in Toronto.

CDW Canada is a recognized leader in helping customers leverage technology to address complex technology challenges and achieve business goals. The CDW Canada team, which includes a wide range of Microsoft experts, delivers valuable solutions, services and advice to leading Canadian organizations every day.
