**CDW Canada wins Canadian Partner of the Year Award
from Kaspersky Lab**

Named top national Large Account Reseller due to exceptional sales, dedication

Etobicoke, Ontario – June 1, 2011 – CDW Canada, a leading provider of technology solutions for Canadian private and public sector organizations, has been named Canadian Partner of the Year by Kaspersky Lab in its Large Account Reseller (LAR) Category.

“CDW Canada is delighted and honoured to win the LAR Partner of the Year Award from Kaspersky Labs Canada for 2010,” says Mary Ann Yule, Vice President and General Manager, CDW Canada. “We pride ourselves on our strong relationships with our security partners, ensuring we bring the best products, knowledge and support to our customers. This award is a testament to that dedication, and to the solid rapport we have with Kaspersky Lab.”

This prestigious designation is awarded to a LAR partner with exceptional sales in the territory that also demonstrates steady growth and strong, mutual partnership skills. Providing access to sales and technical staff, and undertaking joint marketing engagements are considered when choosing this recipient, as is dedication and tenacity.

“CDW Canada’s sales execution, high degree of responsiveness and most of all its focus on customer satisfaction made it stand out in 2010,” said Kevin Krempulec, Vice President, Corporate Sales, Kaspersky Lab, Canada. “CDW Canada had a tremendous growth year with Kaspersky and we’re looking forward to an even bigger 2011.”

CDW Canada was presented with the award at the 2011 Kaspersky Lab Americas Partner Conference in February 2011.
