

CDW Canada Named the Number One Solution Provider in Canada for Fourth Consecutive Year

Etobicoke, ON – April 28, 2017– [CDW Canada](#), a leading provider of technology solutions for Canadian organizations in the public and private sectors, today announced it has ranked number one on the 2016 Top 100 Solution Providers list from *Computer Dealer News* (CDN). This marks the fourth consecutive year the company has been named top on the list, and the seventh consecutive year CDW Canada has placed in the top five.

“We’re very proud to receive this recognition from *Computer Dealer News* for the fourth consecutive year,” says J.D. Hupp, Vice President and General Manager, CDW Canada. “This award recognizes the high level of customer service and satisfaction we provide and demonstrates how CDW brings together the best performers in the business — our partners and coworkers — to create successful business outcomes for customers across the country. Congratulations to all of this year’s winners.”

As a trusted advisor to businesses of all sizes — from small business to large enterprise — CDW Canada specializes in data centre solutions, security, collaboration, cloud and the services to support the assessment, design, implementation and continued management of these solutions.

In addition to its number one ranking on the 2016 Top 100 Solution Providers list, CDW Canada advanced to No. 409 on the 2016 FP500 list, up from No. 424 in 2015, and received the following industry achievements in 2016:

- 2016 Microsoft Partner of the Year, recognizing CDW Canada’s achievements and performance in the area of Windows and Devices Deployment
- 2016 Partner of the Year Award from The Municipal Information Systems Association (MISA) of Ontario
- Cisco Partner Summit Canada award for 2016 Meraki Partner of the Year
- Top Performance Award from Avnet Technology Solutions
