

## **CDW Canada Receives Top Performance Award at Avnet's 2015 Partner Summit**

**Etobicoke, ON – December 22, 2015** – [CDW Canada](#) today announced it has won the Top Performance Award from Avnet Technology Solutions for its success in the channel over the past year. Winners of the second annual Avnet Partner Awards were announced during the 2015 Avnet Technology Solutions Partner Summit held in November 2015 in Chandler, Ariz.

CDW Canada earned the Top Performance Award based on its growth through Avnet in Canada between July 2014 and June 2015.

“CDW Canada is honoured to be named the recipient of the Avnet Top Performance Award in Canada,” said Mary Ann Yule, Vice President and General Manager, CDW Canada. “Our partnership with Avnet helps us serve the business needs of our customers with innovative technology solutions that create competitive advantage and drive corporate success within their organizations.”

“The Avnet Partner Awards program recognizes and rewards our partners’ successes, as well as their contributions to the channel and Avnet,” said Jeff Bawol, President, Avnet Technology Solutions, Americas. “The efforts of all partner award winners have contributed to the growth of our industry and reinforce Avnet’s commitment to provide our partners with the resources they need to solve their customers’ business challenges, today, and in the future.”

The Avnet Partner Awards are part of a unique program designed by Avnet to recognize its top partners from the U.S. and Canada. The 2015 awards program was specifically geared for partners to showcase their knowledge and skills across eight key IT solution areas, such as cloud computing, converged infrastructure, and high-growth vertical market areas including financial and government.
