CDW Canada Ranks 4th on CDN's Top 100 Solution Providers List

Leading provider of technology solutions climbs two spots to reach top five

Etobicoke, ON – May 25, 2011 – CDW Canada, a leading provider of technology solutions for Canadian organizations in the public and private sectors, today announced it has reached number four on the list of 2010 Computer Dealer News (CDN) Top 100 Solution Providers, up from sixth in 2009.

“CDN congratulates CDW Canada and all its employees for reaching the number four position on the annual Top 100 Solution Providers ranking,” said Paolo Del Nibletto, Editor of CDN. “Our Top 100 list comprises the highest revenue-generating solution providers with major operations in the country. Since its arrival to the market, CDW Canada has grown exceptionally and has proven to be a force in the industry.”

“CDW Canada is excited and honoured to be ranked in the top five on CDN’s list this year,” says Mary Ann Yule, Vice President and General Manager, CDW Canada. “As a company, our utmost priority is our customers — providing them with the expert support and knowledge they need to run their businesses effectively. Everything we do revolves around that goal. Our coworkers strive to offer the greatest service, working with customers directly to ensure they're getting the best possible advice, technology solutions and products to meet their needs. It is tremendously rewarding to see that our dedication and approach is making an impact.”

Since 1985, CDN has provided VARs, system integrators, system builders, ISVs and retailers with the most comprehensive coverage of news, events and issues in the IT channel. Its annual list recognizes the achievements of the industry’s top solution providers as ranked by annual revenue.
