**CDW Canada Named the Number One Solution Provider in Canada
for the Second Year in a Row**

Etobicoke, ON – April 16, 2015 – [CDW Canada](#), a leading provider of technology solutions to business, government, education and healthcare, today announced it has been ranked number one for the second year in a row on the 2014 Top 100 Solution Providers list from *Computer Dealer News* (CDN), one of the country's leading news sources for IT service providers.

“We are thrilled to be named the number one solution provider in Canada for the second consecutive year,” says Mary Ann Yule, Vice President and General Manager, CDW Canada. “We’d like to thank our coworkers, as this achievement is reflective of their passion and expertise in serving the business needs of our customers. We’d also like to thank our customers, who inspire us to provide innovative and impactful business technology solutions that help drive their businesses forward.”

CDW Canada offers a wide range of products, solutions and services to businesses of all sizes across the country in the areas of business continuity, mobility, network optimization, software management, unified communications, infrastructure optimization, security, and more.

In addition to its number one ranking on the Top 100 Solution Providers list, CDW Canada also recently received the following industry achievements:

- CDW Canada was recognized with an HP PartnerOne Growth Reseller of the Year Canada Pan-HP Award at the 2015 HP Global Partner Conference
- CDW Canada is a Gold certified member of the Microsoft Partner Program and was reauthorized as a Licensing Solutions Provider (LSP) in 2014
- CDW Canada achieved Cisco Gold Partner status and was awarded Mid-Market Partner of the Year at the 2014 Cisco Partner Summit

This marks the fifth consecutive year CDW Canada has placed in the top five on CDN's industry-respected list.
