

COLLABORATION

EXPERIENCE IT THROUGH COLLABORATION

ENHANCE COLLABORATIVE EXPERIENCES WITH AN ORCHESTRATED APPROACH

Success today depends on how well your workforce connects, operates and, most important, collaborates – daily. With on-premises and hybrid options tailored to help you align your business needs, CDW can help you build a frictionless, collaborative solution designed to improve productivity regardless of location, platform or device. We also offer access to a wide array of partners, the latest technologies and seasoned experts to deliver a complete collaboration experience. We'll help you realize stronger business outcomes including:

- Recruiting sharper talent
- Driving stronger productivity
- Creating a better employee work experience
- Simplifying collaboration to increase adoption
- Providing optimal customer engagement

CDW CLOUD COLLABORATION

Our hosted and managed cloud collaborative service is designed to integrate with your existing CRM, productivity suite, WebEx, social enterprise software and contact center solutions. CDW Cloud Collaboration also offers:

- Enhanced security
- Cost-effectiveness
- Scalability

OUR UNIQUE THREE-PILLAR APPROACH

END-TO-END SERVICES AND SUPPORT

Our specialized collaboration solutions are all-encompassing. From strategic planning services to assessments and implementation, we'll work with you to build a solution designed to fit your needs. We'll help you optimize your investments and realize ROI sooner rather than later, as well as further your competitive advantage.

To accelerate onboarding and support user adoption, we offer the support you need for implementing solutions and optimizing infrastructures.

THE CDW APPROACH

ASSESS We'll start by examining how your employees work. Then, we'll evaluate and recommend tools designed to optimize productivity and increase customer engagement.

DESIGN We can then build a solution designed around those needs, using our network of top brand partners.

DEPLOY Our team of IT specialists will then help you implement and integrate your solution to ensure design and experience come together seamlessly.

MANAGE We can also help to make sure your new solution succeeds from day one with specialized training, adoption and managed solution services for all on-premises, hybrid and cloud solutions.
