UNIFIED COMMUNICATIONS: PUTTING THE PIECES TOGETHER

If your legal firm doesn’t have the right tools to enable your lawyers to work more efficiently from any location, you may be decreasing your firm’s value to clients. CDW can help solve the communication puzzle with a Unified Communications (UC) solution that will:

• Quickly connect clients with lawyers
• Optimize team performance
• Reduce travel expenses

We can help put the right pieces in place with a wide range of technologies, including telephony, video, file sharing, email, IM and more to bring greater efficiency to your offices, so your lawyers can communicate seamlessly with clients – wherever they are.

CDW has a team of UC-certified experts who will work together to help find the right social collaboration solution for you:

• 125 UC engineers
• 60+ UC solution architects
• 70 video engineers
• Professional Services: 500 engineers and project managers
• Managed Services: 150 engineers and project managers

Learn more about CDW’s UC solutions that can connect your clients and lawyers at CDW.com/collaboration.

SPECIAL DELIVERY: UC COLLABORATION IN THE CLOUD

Planning on moving UC to the cloud? Learn about the cloud collaboration technologies that can get your firm ahead in this comprehensive white paper from CDW.
Cisco® Unified IP Phone 7942G

Solutions unify voice, video, data and mobile applications on fixed and mobile networks
- Support for wideband (G.722 codec, adherence to TIA 920), including handset, headset and speakerphone
- Full-duplex speakerphone with acoustic echo cancellation
- IP address assignment can be statically configured or configured through the DHCP client
- Dedicated headset port eliminates the need for a separate headset amplifier and allows the handset to remain in its cradle

Acer B246HLymdr

24” analog/digital LED monitor
Exceptional visuals and comfortable viewing over long periods of time.
- Max. resolution: up to 1920x1080 Full HD
- Panel brightness: 250 cd/m²
- Response time: 5 ms
- Three-year limited warranty

Citrix® GoToMeeting®

Online meetings made simple
- Web tools: Share your desktop, change presenters, transfer control, chat, draw, highlight, record and more
- Audio: GoToMeeting sets up your conference call for you and provides a free VoIP option
- HD video: Our HDFaces™ video feature lets up to six attendees show their webcams in high definition – no special equipment required

Jabra PRO™ 920 Headset

Professional wireless headset
- Jabra PRO™ 920 frees users from their desks, enabling them to find documents and multitask with maximum efficiency while on a call
- Apart from being able to walk and talk up to 120 m/325’ away from their desks, users will also benefit from enhanced ergonomics as the headset prevents neck strain caused by pressing a phone to their ear for long periods
